

The Gertrude and Milton Kleinman
Consultation on Conscience
Anti-Semitism and Xenophobia
in American Society

Sunday, December 5, 2021, 1:00 pm - 4: 00 pm

Our biennial **Consultation on Conscience** at Anshe Emeth, brings social justice issues to the forefront of our awareness and empowers our community to action. We have invited those who are involved in doing the most important work of social justice today to educate us and teach us how to become more involved.

New this year, we are hosting the first-ever New Jersey state-wide **Consultation on Conscience**, in cooperation with the Religious Action Center of Reform Judaism (the RAC) and its state affiliate, RAC-NJ. The RAC mobilizes around federal, state, and local legislation and organizes communities to create a world overflowing with justice, compassion, and peace.

Join with fellow Jews from across New Jersey as we engage with the Torah's commandment to pursue justice and peace, and learn about the most crucial issues facing the world today.
