

TBE Security Committee presents
FIRST AID TRAINING

FOR **EVERY 1 MINUTE** A BYSTANDER DOES NOT PROVIDE CPR,
A PATIENT'S CHANCES OF **SURVIVAL DECREASE BY 10%**

GAIN THE **SKILLS AND CONFIDENCE** YOU NEED TO
RECOGNIZE A MEDICAL EMERGENCY AND **SAVE A LIFE!**

You'll Learn:

- Hands-Only CPR
- AED Usage
- Choking Relief
- Stroke Recognition
- Bleeding Control
- Epinephrine Administration
- Naloxone Administration
- BCON Kit Initiative

Trainers are BLS CPR certified, and trained to teach the MedicZero curriculum, which has been reviewed and signed off by medical direction

at TBE on April 16, 11:00 a.m.
